

# Call for workshop on data assimilation Berlin, February 26th 2015

The NIOPLEX workshop on data assimilation will be held at Technische Universität Berlin. It brings together NIOPLEX members and other researchers engaged in data assimilation for engineering fluid mechanics. You are invited to present your research concerning data assimilation in fluid dynamics within a 20-minutes talk including discussion.

## Keynote lectures

Prof. Dr. Angelika Bunse-Gerstner (University Bremen, Germany)  
Dr. Richard Dwight (Technical University Delft, The Netherlands)  
Dr. Dominique Heitz (IRSTEA, France)

## Important dates and deadlines

Deadline for one-page abstract: 1st December 2014  
Notification of acceptance: 5th December 2014  
Workshop (all-day): Thursday, 26th February 2015,  
(additional sessions on Friday, depending on submissions)

## Venue

Technische Universität Berlin  
C-Building, C264  
Straße des 17. Juni 124  
GPS: 52.512709, 13.329519

## Contact/Submission to

Prof. Dr. Jörn Sesterhenn  
nioplex-workshop@tnt.tu-berlin.de

For **more information** please visit the NIOPLEX website:

<http://www.nioplex.eu>

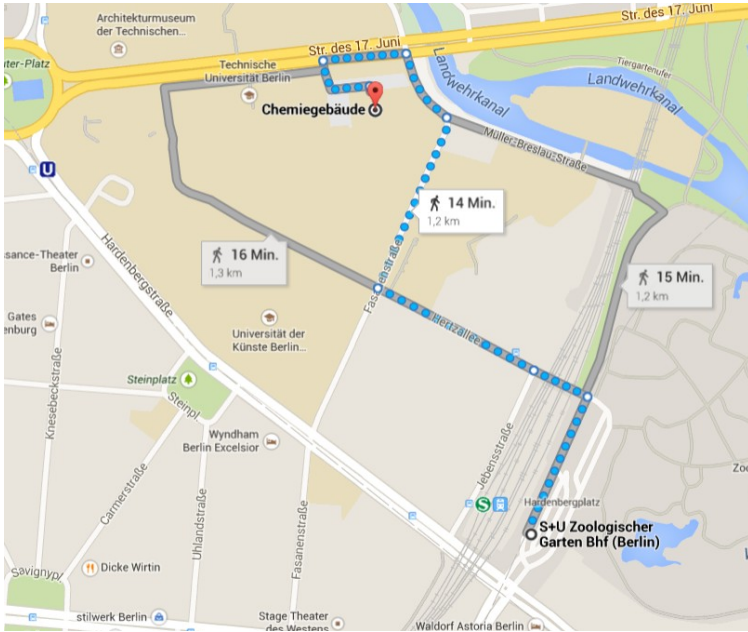

Approach from **Airport Berlin Tegel (TXL)**

Bus line **TXL** or **X9** with destination **S+U Zoologischer Garten**  
to station **S+U Zoologischer Garten**

Approach from **Airport Berlin Schönefeld (SXF)**

Train(S-Bahn) line **S9** (destination: Pankow)

**change** at station **Ostkreuz** to train line **S5**(Spandau) or **S7**(PotsdamHbf)  
or **S75**(Westkreuz) to station **S+U Zoologischer Garten**

## Workshop dinner

to be announced – more information on the website
